

Dreams from Many Rivers

author: Margarita Engle

2026-06

Synopsis

author	Margarita Engle
readBy	Tim Andres Pabon, Frankie Corzo
inLanguage	english

From Juana Briones and Juan Ponce de León to 18th-century slaves and modern-day sixth graders, the many and varied people depicted here speak to the experiences and contributions of Latinos throughout the history of the United States, from the earliest known stories up to the present day. A portrait of a great, enormously varied, and enduring heritage, this is a compelling treatment of an important topic. Some voices are composite characters, not historical figures.
