## Synopsis

---

Bryce is a funny, mechanical, HAPPY little guy who is now five years old and makes this world a much better place!   
  
This episode is a discussion between us about the steps taken to build and continue building Bryce's team of doctors, therapists, and teachers to help us on this autism journey.   
  
You can follow us on our Facebook pages, Parenting Autism, to see stories, pictures, and videos of our autism journey.

You can also contact us through our email: [parentingautism@att.net](mailto:parentingautism@att.net)   
  
*\*\* Note: I said that Bryce was four when he left Early Steps and entered ESE. He was only three - The Early Steps services on his 3rd birthday. The next step was ESE through St. Lucie County schools. Podcasts don't let you edit your thoughts like a written document!*
