Ellie is a sweet-natured brunette, generous of heart with a sparkling smile and an accent that reveals her East End background. Bonny is beautiful and spoilt, with cascades of blond hair, the brightest pair of blue eyes and a mouth like Cupid's bow. The two girls meet in London at the end of the war when, seduced and abandoned by two American airmen, they pool their wits and resources and set off to make a living on the stage. Amidst hardship and austerity, immersed in the glamour and ruthlessness of life in variety theatre, their story is one of sacrifice, ambition, and friendship against all odds.
