Email marketing is the lifeline of your business. Every day that you're not collecting contact information you're missing out on tons of money and tons of security in your business. Your email list is an asset, so it's time to get serious and start building what can and will become your biggest income stream online. It's never too late to get started, but the best time to get started was yesterday.

Email Marketing Machine goes into everything, from creating your opt in offer to how to get traffic to your squeeze page. By using the techniques in the book you'll be able to grow you email list if you take action and stay consistent.

Don't allow fear and laziness to control your financial growth. It's time to get started building relationships and creating your brand online. If your goal is to create valuable content for your audience and eventually sell to them so the value can be reciprocated, this book is for you. If you're looking to get rich quick using sleazy tactics, this book is not for you.

My name is Argena Olivis, and I've been online since 2012. I want to share all I've learned about growing a list of loyal subscribers that you can convert into customers. Over the years I've taken tons of courses and spent lots of money to learn what I'm about to teach you in one convenient audiobook. Keep in mind that you must take action to get results. Don't just listen to this book: Use it as a guide to set up your email marketing machine so you'll increase your profits and add value to the world.
