Do you want to speak English fluently in various business situations? Listen to "English in Situations - Business English - New Edition". This audio course at intermediate level masters the conversational skills required to communicate freely in the office, when seeking new employment or travelling on a business trip. Each lesson presents a new subject of typical conversations and teaches how to form sentences independently.

Why choose the course?
"English in Situations - Business English - New Edition" covers 16 main topics, and the dialogues and exercises in each lesson are aimed at learning and mastering over 650 expressions and complete sentences. Each lesson develops step by step your speaking skills that are necessary for effective communication in English: start with listening to a dialogue introducing the subject of the lesson, then broaden and consolidate vocabulary used in typical situations, finally answer questions and independently form sentences following the teacher's instructions. .
In the new edition of the course, you will find a new part teaching useful expressions used in discussions. This is effective learning, easy and accessible to everyone.

E-book (PDF file) - the texts of all the recordings: dialogues and exercises with answers. In addition, there is a Glossary to each lesson including the more difficult words and phrases translated into: French, German, Italian, Japanese, Polish, Russian, Spanish and Chinese.
The course is also available in a special promotion pack "English in Situations 1-3 - New Edition".

PLEASE NOTE: when you purchase this title, the accompanying reference material will be available in your Library section along with the audio.
