Synopsis

We knew when we started out on this story, we were digging into something that would cause people pain. And we've tried to balance our jobs as fact-finders and journalists, with being humane and thoughtful. Two innocent people lost their lives. The suspect's family had their world upended too. And countless others will never be the same. So, what now? How does this story end? Has anything changed? And is it too late for justice? Find out in the final episode.
