

episode ten: Fixing the ejaculax

author:

2026-07

Synopsis

Will Madeline and Joe be able to fix the copulatron and attach it to the forniculator before they realize neither of these things actually exists? Is Leet doomed to spend most of his journey inside a healer pod? Are there any sensible podcasts looking for a reliable, experienced narrator? And no, I'm not "asking for a friend." You've been listening to Episode 10 of Oz 9, Fixing the Ejaculax. Featuring... Eric Perry as Head One and Joe, Richard Cowen as Leet, Tim Sherburn as Head Two, Buck Nubbins, Colin, and random alarmed guy, Bonnie Brantley as Jessie, Shannon Perry as Madeline and Olivia, Steven Crider as Rock Brickwell, and Richard Nadolny, as your Narrator. Our theme and other music was composed and performed by John Faley. Special thanks to Shannon Valentine Hull for editing expertise. Check out her gorgeous photography here: <https://www.shannonhullphotography.com/> Theme and incidental music composed and performed by John Faley. Our artwork is by Lucas Elliott (who also did our COMIC BOOK and our cool pin set!! <https://oz9podcast.etsy.com>). Oz 9 is written by Shannon Perry. Oz 9 is a proud member of the Fable & Folly network! Please support our partners here: <https://fableandfolly.com/partners/>. And be sure to check out the other great Fable & Folly shows at <https://fableandfolly.com/>. For Beebs.
