No power, no electronics, no way out. When the world descends into anarchy on an idyllic island, who will survive?

Tech-savvy Elna is determined to bring her family's vineyard into the 21st century. Located on its own private island, Elna hopes her resourcefulness will finally earn her father's respect and keep visitors flocking to their idyllic retreat.

But her ambitions are shattered when a catastrophic EMP attack descends on North America. With only a brief warning before the missile strikes, Elna and her father soon realize they are marooned on their island with a group of unusual guests.

With no power, electricity, and little chance of reaching the mainland, life in paradise quickly sours. Food and water is growing scarce; they have no access to medical supplies; and they have no idea what's happening in the world outside of their island vineyard.

They must find a way to unify as a group - fast. But when an unexpected assailant threatens their lives, Elna's father goes missing, and another guest is gravely injured, Elna's wits are put to the test.

A journey to the mainland won't be easy, and even if they make it, there's no way of knowing what dangers could lie in store for them. But staying on the island is becoming less viable with every passing day. In a world where law and reason have descended into post-apocalyptic anarchy, survival of the fittest reigns supreme....

Prepper survivalist author Grace Hamilton invites you to step into a post-apocalyptic, EMP-ravaged world filled with strong, resourceful characters, survivalist knowledge, and edge-of-your seat action.
