From *New York Times* best-selling author Mary Monroe comes a seductive, shocking tale of two unhappy women fulfilling their every erotic dream - and finding a desire that kills.

He's successful, kind, and sensitive - the type of man every woman wants. And truck driver Calvin Ramsey just loves women - especially the lonely, unappreciated ones he meets online, like Lola Poole. His deceitful ex-wife taught him that women really appreciate someone who cares about their deepest feelings and problems.

Since Lola always gives more than she gets, Calvin longs to show her the best of everything. And when he gives her the ultimate parting gift, just like he did his wife and all the others, he'll love Lola best of all.

Lola Poole is so done putting her life on hold for her selfish relatives' needs. Now, thanks to online dating and a sizzling parade of hungry lovers, she and her unhappily married best friend, Joan, are getting all the sexy fun they missed out on. Even better, handsome, dependable Calvin looks like he might be the whole irresistible potential-husband package. Until oh-so-right starts going all-the-way wrong. And Lola must uncover the truth and take control before this fatal fantasy finishes her.
