When your worst fear comes true. Someone is watching Kaycee Raye. But who will believe her? Everyone knows she’s a little crazy. Kaycee’s popular syndicated newspaper column pokes fun at her own paranoia and multiple fears. The police in her small town are well aware she makes money writing of her experiences. Worse yet, she has no proof of the threats. Pictures of a dead man mysteriously appear in her home—then vanish before police arrive. Multisensory images flood Kaycee’s mind. Where is all this coming from? Maybe she is going over the edge. High action and psychological suspense collide in this story of terror, twists, and desperate faith. The startling questions surrounding Kaycee pile high. Her descent to answers may prove more than she can survive.
