This 18+ adults only novelette features: M/M paranormal and regular sexual scenes, oral, other sexual depictions of a graphic nature in a lovely aristocratic-quasi medieval setting throughout the whole series of stories.

F--king the Gay English Ghost: The Complete Collection, tells of the adventures of sexy aristocrat William, who explores another side of himself in this world and the next through his varying dalliances with rather strong cocks. He finds a new world of f--king, cum, and sensuality in the arms of other men, and those who have departed from this world.
