

Fade Away

author: M. L. Newman

2026-07

Synopsis

author	M. L. Newman
readBy	Lillie Ricciardi
inLanguage	english

A kiss to remember....

Lauren Benson was enjoying her senior year in college with her roommates and best friend, Taylor. With tension building for midterms, taking advantage of a night of fun to cheer on the school football team was exactly the distraction she needed. However, that was the last night she'd ever be the same again. Lethal creatures are stalking the campus and Lauren becomes a target. Will she be strong enough to resist, or will she simply fade away....

Warning: Adult content. Age 18+.
