The complete Faeries of Oz series in one collection full of dark fantasy and romance. This NA bundle includes *Tin*, *Crow*, *Ozma*, *Tik-Tok*, and the prequel short story "Lion". Perfect for fans of Sarah J. Maas, Jennifer L. Armentrout, and Laura Thalassa.

A curse to break... He's a fae assassin with a heart of stone. She is the savior of Oz. Together they must defy a heartless curse.

Tin is the most famous fae in Oz for all the wrong reasons. Cursed with a stone heart, he is the perfect assassin: ruthless, efficient, and merciless with thousands of kills to his name. When his old friend Lion offers him a small fortune to deliver Dorothy to the South for his lover to wear the girl's head as her own, Tin doesn't hesitate to accept the unsavory deal.

Dorothy Gale lost everything—her family to illness, her dog to age, and now her farm to foreclosure. The entire town thought she was crazy for believing in a faerie world called Oz, but even after 10 years have passed, she knows she is right. So when an emerald green portal opens in her wheat field, she jumps at the opportunity to return to the only place that ever felt like home.

Tin wasn't expecting a vivacious, grown woman to step through the portal, just as Dorothy wasn't expecting Tin to have his stone heart back. But Oz has hidden dangerous lies behind glamour, trapped innocents in curses, and left the land in turmoil—none more so than the South. As Tin and Dorothy travel together for the second time in a decade, their lives begin to make sense again. Soon, they must decide who to give their loyalties to before Lion takes Dorothy's head and Tin's cursed heart is forever doomed.

If you love spicy romance, enemies to lovers, second-chance romance, hot fae males, and strong female leads, then you won't want to miss this bundle.
