“Famous People Who’ve Met Me” narrated by the author is an outrageous collection of true stories starring oddball characters, behind the scenes gurus, scoundrels, and brilliant superstars in the music business straight out of Minnesota. The unique memoir does more than just recount tales; it’s a true in-depth character study as told through the eyes of musician, agent, concert promoter, and manager Owen Husney. The stories reflect not only his crazy, sometimes dark experiences but also his contributions to the world of music – from Elvis to Al Jarreau, Richard Harris to Yanni, Jimi Hendrix to K-Tel, and, of course, Prince.
