An intriguing new femme domme romance and a treat for fans of brilliantly written erotica! Basically, this is a story of kismet in a femdom setting. Through different paths, two people discover their affinity for BDSM and set out to find a compatible partner. <p><i>Uncharted Territory</i> follows the journey of Samantha and Matt from the twists of fate that enable them to acknowledge their true sexual nature through their star-crossed romance. Since this is a work of erotica, it includes realistic characters, sizzling sex scenes, and a smattering of humor.
