Animal trainer, Jessica Kingston is a pro at handling alpha males...of the four legged variety. When it comes to dealing with real men, however? She's all thumbs. She thinks it's just another job when wealthy businessman Jacob Daniels hires her to train his willful puppy, but the way he crushes her lips when they kiss says otherwise. Daniels has set his sights on dominating her, undertaking an irresistible seduction that leaves Jessica willing to do anything he requires. An erotic romance of 12,000 words.
