The Drow are back. Unfortunately, the Drow are looking to get hold of Alison. An order to locate the princess means they need to find and deal with Brownstone. They will have to go through him first. Brownstone is pulling his company together, working on his relationship, and dealing with bounties. Additionally, James needs to pay up with the professor. He owes him a few filthy rhymes. The AET boss has learned a lesson, and asks Brownstone to come in for a talk. Will they fight each other, or will the Drow get a chance to kill them all? Brownstone won't back down. It's time to pay the price for saving a young girl, and James Brownstone never thinks twice. **Grab your copy today, and kick back for a fun, action-packed adventure that will have you yelling for the good guys, and laughing at just how much Brownstone can infuriate Shay.**

NOTE: This audiobook contains cursing. Perhaps humorous cursing, but cursing nevertheless. If this offends you, I don't suggest listening to this book.
