Paintings have been falling off of walls, a loud and loyal dog has gone missing, a gurgled message is being transmitted by walkie-talkie - strange things are happening all over the town of Stain'd-by-the-Sea. Called upon to investigate these suspicious incidents, young Lemony Snicket collects clues, questions witnesses, and cracks every case. A delicious read that welcomes listeners into Lemony Snicket's world of deep mystery, mysterious depth, deductive reasoning, and reasonable deductions
