*Wild horses, wildhearts - and a diapered lamb under the Christmas tree!*

Could life get any more hectic at the Lazy Windmill? With the holidays reminding Casie of every mistake she's ever made, and her assistant Emily struggling to be a single mom, it's anyone's guess what the New Year will bring. Then bad boy Colt Dickenson shows up with a ring. No one has ever gotten under her skin like he has, but Casie can't believe a rough stock cowboy will stick around for the long haul. Still, the heart wants what it wants; love is as stubborn as family, foals, and farm equipment. And sometimes you have to face your fears to find the happiness only coming home can bring.
