

Fire and Ice

author: William Graham

2026-07

Synopsis

author	William Graham
readBy	Tim Brunson
inLanguage	english

In a small town in Iowa, a series of murders have the town on edge. A newspaperman turned reluctant sleuth unravels the interconnected deaths, and in the process rekindles a romance and has his faith tested.

This story will leave you guessing. This suspenseful work is from William Graham, the author of the critically acclaimed works *The Red Planet Trilogy* and *The Red Planet President* - both of which are also available in audio format.
