readBy	Brady Smith
inLanguage	english

Flesh of the Blood is an amazing blend of fantasy, action, mystery, and intrigue that will thoroughly capture your imagination.

After a lethal attack on the castle of Dia, king of Brigin and host of Marn's annual games, grand masters of war, weaponry, and wizardry band together to search for an abducted princess. Meanwhile, evil forces bent on total conquest prepare to spread across the lands, to lay waste to all the great cities as they seek the key to an ancient power that will give their leader ultimate control of the planet and its inhabitants. Unbeknownst to all, a gift of fate has been bestowed on those when their survival is in the most peril. Destiny and discovery will intertwine to unlock a saga of danger and excitement that will leave listeners gripped.
