Light coverage, medium coverage, full coverage? Nope, we're here to bring you Fool Coverage. There's nothing like us on the market. 100% unique and 1000% glamorous. OG social media influencers, beauty gurus, and absolute besties, Manny MUA and Laura Lee are bringing you advice about beauty and fashion, stories about running our successful businesses, and the inside info about living in the spotlight as social media stars. And tea, the hottest tea. All the juiciest gossip, about all the fools in the world. We've got those fools covered. We've been cancelled, we've been called fools ourselves. But nothing is going to stop us from living our best lives. Especially when we can overcome and outshine the haters out there. Be it Manny's Lunar Beauty make up line, or Laura's Laura Lee Cosmetics and her Nudie Patootie clothing line, nothing can stop these two from making as big of a splash as possible. Tune in every week for new episodes of Fool Coverage.
