What happens when you meet your soulmate before realizing you dated her older sister first?
I didn't know who Dove's sister was when we first met. I didn't know that I'd been fooling around with her for a few months before Dove walked into my life. I didn't know that "if I've done the math correctly" I could be the father to her sister's child. But I do know this. Dove has the voice of an angel, and the heart of one, too. I might not deserve her, but I refuse to let her go. She doesn't know that I was with her sister before we met. She doesn't know that her niece or nephew could be my freaking kid. And even though it kills me, I can't let her find out.
