Doctor, we need just one last prescription for relief. We need it. And by it, we mean you.

Whitney had a little extra to drink at the hospitalâ€™s Christmas party and decides to go for it with Chad, the new male nurse. That night was one of the wildest nights of her life. But then they find out that their parents have been dating for quite some time and are going to be getting married.

Chad sets Whitney up with his best friend, Ted, to avoid temptation. There is some attraction, but they donâ€™t have a night quite like what Whitney had with Chad. At her momâ€™s wedding, Ted invites her up to the suite. But when Chad invites himself in, the night becomes even crazier and steamier.

But when push comes to shove, Whitney is going to have to make a choice. Will it be Chad or Ted who wins her heart?

This is a romance novel with no cliffhangers, no cheating, and a guaranteed happy ending!
