I've been in Professor Stevens' class for a semester. He's brilliant, severe, and hot as hell. I haven't been particularly attentive, prepared, or timely, but he hasn't said anything to me about it. I figure he must not mind and intends to let me slide. At least I thought that was the case until he told me to stay after class today. Maybe he'll let me off with a warning?

Warning: This book contains situations involving forced seduction and dubious consent.

This is a quick dose of dirty that can be heard in one sitting.
