He shattered my heart. Rejected me. Rejected my love. He walked away so easily, tossing the three words I told him aside as if they meant nothing. But they meant everything. At least to me.

Fine. I'm done.

He's pushed me away and turned his back on me one too many times. I've accepted it. Accepted that it's over, despite how I feel. But then why is he acting like it's anything but over?

Contains mature themes.
