Synopsis

author	Eliot Peper
readBy	Eliot Peper
inLanguage	english

This is a story about two spies locked in a room with a gun.
This is a story about how semiconductors are refactoring 21st century geopolitics.
This is a story about the greatest of games, the game that subsumes all other games, the only game that really matters: power.
This is a story about finding yourself before they find you.
This story is a trap.
