

From Restless To Reconciled

author: Bob Rhoden

2026-07

Synopsis

author	Bob Rhoden
readBy	Bob Rhoden
inLanguage	english

The world is challenging and confusing, but with intentional change and direction, hope and restoration can be found. In *From Restless to Reconciled*, Bob Rhoden uses his own journey to chart a map for the rest of us, laying out a path to life like the patches so carefully arranged on a favorite quilt.

Richly woven narratives and words of wisdom abound as Rhoden instructs that although we can not control the circumstances that we are born into, we can shape the narrative of our dreams and goals.
