Galen had plans to kick back and relax, but Levi needs someone to help out Zack, a friend of his. When Levi asks Galen, he's game. There's a little too much sugary sweet true love going on at the compound for him and his single state to handle. Then he meets Gemma and her sister, the real reason Zack was looking for help.

Gemma learned a long time ago how to handle her sister and her niece. When the two end up in deep trouble, Gemma drops everything and takes charge. But it's dangerous, and she needs help. Galen wasn't what she had in mind, but her heart is open and willing. Her body? Well, it's good to go when a meet-and-greet leads to love at first sight.

Only the situation is dangerous, and she has to stay focused - until the truth comes out, and she finds out what's really at stake.
