Game Changers was designed BY government contractors FOR government contractors. The focus of every episode is to give listeners a new tip, trick, or strategy that will help them find and win more contracts. Each episode features Subject Matter Experts (SME), companies that are successfully winning contracts, or nationally recognized professional speakers and authors. The show is hosted by government experts Michael LeJeune from Federal Access and Joshua Frank from RSM Federal. Their award-winning program Federal Access has helped their clients win over \$2 Billion in government contracts. Game Changers releases a new episode every other week. Keywords: Government Contractor, Government Sales, Government Contracting, Government Contracts, Government Subcontracting, How to Win Government Contracts, Where to Find Government Contracts, Government Contract Support, FPDS Training, The Government Sales Manual, How to Respond to RFPs, How to Write a Proposal, Capability Statement, Government Trainer, Government Coach, Government Consultant.
