

Gateway to the Galaxy, Part II

author: Jonathan Yanez, JR Castle

2026-07

Synopsis

author	Jonathan Yanez, JR Castle
readBy	Scott Aiello
inLanguage	english

Gateway to the Galaxy, Part II contains *Face Toward Enemy* (book 4), *Rise Up* (book 5), and *Do or Die* (book 6 of the series). **He saved the universe from chaos. And it'll come back to haunt him.** Just when you thought it was safe to explore the universe, a new enemy emerges from the darkness. You know the deal with these things: someone's always ready to put on the gauntlet and do the finger snap. All Frank wants to do is rebuild the Arilion Order and eat tacos. No such luck. A new enemy is going to give Frank and the rest of Marine Space Corps-1 a run for their money. A ghost from Frank's past has returned, and with his Arilion powers tested, this mission will be his greatest challenge as a man, as a leader, and as a Marine. It's time for a reckoning. A swashbuckling space adventure in the likes of Edgar Rice Burroughs's *A Princess of Mars* and the action found in JN Chaney's *Renegade Star*.
