Xan has just landed his dream job at a prestigious art gallery. There's only one problem: Everyone on staff says the place is haunted. Nobody's willing to work after hours, because the place gets too creepy once darkness falls. But when the opportunity arises for Xan to meet his favorite transgender artist, he jumps at the chance to stay late. Will Xan come face-to-face with an apparition from another time? And if he does, can he finally solve the mystery of the gallery ghost?
