In *Ghost Train to the Eastern Star*, Paul Theroux retraces the steps he took thirty years ago in his classic *The Great Railway Bazaar*. From the Eurostar in London, he once again sets out on a journey to the East, travelling overland through Eastern Europe, India and Asia. Infused with the changes that have shaped the exterior landscape and enriched with developments to his own perceptions and psychology, *Ghost Train to the Eastern Star* is an absorbing and beautifully written follow-up to *The Great Railway Bazaar*.
