Witches of the Wood

Samantha Hale has never met her mother. But when she has a vision on the eve of her 30th birthday, she decides to track down her long-lost family in the sleepy town of Mount Hazel to discover if she's going insane. To Sam's shock, she discovers the legacy she inherited - a legacy of magic - is more exciting and dangerous than she ever could have imagined.

The Haunting of Hadleigh Estate

An unsolved case in a small town that has gone too far. A young couple moves into their dream home only to find a dark presence lurking from within. For Cassie and James, the small town of Playa del Sol seems too good to be true. But they soon experience terrifying supernatural encounters tied to the deadly secrets of an unsolved mass murder. Can they solve the mystery in time? Or will they face the same doomed fate as the tenants who came before them?
