The nightmares have returned. Something, or someone, wants to drag Julia Davidson back into a dreadful conflict she assumed was a distant memory. Was this, like before, the echo of another person's dream? Is she responsible to rescue faces she doesn't recognize but can't forget? Do the murky images suggest she has a part to play in whatever ominous events lie ahead?

Things are finally looking up for Matthew Adams. As the top earner at MedCom Associates he has started to crawl out of the financial hole created during his "dark days". And now, out of the blue, a mysterious woman invites him to join a confidential research initiative. She says it will ease the mounting economic crisis. But at what cost to Matthew's fragile sanity, and his tortured soul?

Pastor Alex Ware faces a serious problem. The honeymoon period at Christ Community Church has ended. The finance committee says they can't afford another year of dwindling income and dismal growth. The board wants action, now! Aging parishioners would gladly allocate a portion of their estate to help. But only if Alex stops condemning the transition industry and starts affirming what the Youth Initiative calls "our heroic volunteers".

In *Fatherless* and *Childless*, Dr. James Dobson and Kurt Bruner depicted a time in which present-day trends come to sinister fruition. This eagerly awaited conclusion vividly imagines what happens when God's image on Earth is exchanged for the horrors of a *Godless* world.
