A high-octane military romance.... Lilly has no choice but to trust the tough, sexy ex-special forces operative to guide her out of the Afghan mountains to safety. As Grant leads her across the unforgiving terrain, risking his life to protect her, Lilly can't deny her growing feelings or the intense physical attraction between them. Grant feels it too, but giving in to his desire would mean betraying his best mate's memory, and that's not something he's prepared to do. Not even for the girl of his dreams. This is the first book in the sizzling SAS Rogue Unit series by Amazon best-selling author, Louise Rose-Innes. If you like Navy SEALs military romance, then you'll love the SAS Rogue Unit.
