

Going Rogue

author: Mitch Larkins

2026-08

Synopsis

author	Mitch Larkins
readBy	Matt Merline
inLanguage	english

After barely surviving his encounter with pirates, Bairn hoped his trip to Lansart - the capital of the universe - would be one of easy level grinding and tourist traps. However, the brawler soon finds himself being dragged from a simple misadventure into a conspiracy by an annoying Deviant rogue.

Meanwhile, Uriel and her legendary guild - The Celestials - are on the hunt for a hidden Deviant army, and number one on their most wanted list: Bairn!
