I wanted to fall for a boy. Not a man. Not a legend....

The month I wrote my first piece of code, Jax Jamieson launched his third platinum album.

The week I drank my first beer, he spent in jail.

The day I got under his skin, I wound up on his tour.

And the night he gave me his hoodie...

I fell in love forever.

Good Girl is part 1 in the best-selling new adult rock star trilogy *Wicked!* Jax and Haley's romance continues in *Bad Girl* and concludes in *Wicked Girl*.

NOTE: *Good Girl* and *Bad Girl* end on cliffhangers - you'll find the book-hangover-worthy ending of Jax and Haley's story in *Wicked Girl*.
