Synopsis

author	John Isaac Jones
readBy	James H Kiser
inLanguage	english

Grandfathers is a heart-warming story of grandfathers and grandsons told in two parts. The first part is set in 1946 and relates the experiences of five-year-old Billy Johnson with his grandfather. The second part is set in 1996 and tells of Billy's experiences with his own five-year-old grandson. What a difference 50 years makes!
