*Guilty as Sin* is the second audiobook in *New York Times* best-selling author Meghan March's epically romantic and addictive Sin trilogy.

Guilty until proven innocent. That's the way the world works, right?

I'm tired of being convicted without evidence all because my last name is Gable. The Riscoffs might own this town, but I'm done following their rules.

If only I could forget just how easily Lincoln Riscoff can drag me under his spell.
