Synopsis

author	Dotty
inLanguage	english

Presenter and author Dotty invites celeb guests to come and confess the thing they most want to put in the (hashtag) trashbag – however big, however trivial, what will be stuck in the waste disposal this week?

Each rant-filled podcast sees Dotty alongside a revolving cast of eclectic guests as the two of them air their candid views, to earn their pet peeve the coveted place in the bin.

Whether it's mailing lists, cricket or superhero movies, *Hashtag Trashbag* is the chopping block for all the things we love to hate and pits them against each other in an irreverent battle for bottom spot.

What ensues is a comedic exchange of seething anecdotes and hilariously relatable conversation about our everyday lives, before one thing is unanimously banished to the bin.

Starring Katherine Ryan, Munya Chawawa, Nick Grimshaw, Kae Kurd, Scarlett Moffatt and Tolly T.
