Synopsis

author	Jack Hunt
readBy	Chris Monteiro
inLanguage	english

The battle ends in the suspenseful final book of the Outlaws of the Midwest saga.

With the fate of the United States in the hands of militia and surviving citizens, their darkest hour is upon them. After Gunnar Nelson is delivered into the hands of the traitor and mercenary Santiago Cruz, Miles Arrington mounts a daring mission with Snow, Grady, and Tex to rescue him. But in a cruel twist of fate, he soon discovers two secrets that calls into question everything, and one that may cost him his life.

Meanwhile, enemy troops aren't done with the Midwest. As work on the railway nears completion, they soon move ahead with a deadly plan that will stack the odds against America. The only hope for the resistance is a make-or-break, twofold plan to defeat the enemy in the heart of Chicago.

Loyalties will be broken, friendships will be tested, and lives placed in jeopardy.

Don't miss the epic conclusion to the Outlaws of the Midwest!

comment 1: Emily Sanders

In 'Havoc Endures', Jack Hunt crafts a riveting tale that plunges readers into a world teetering on the brink of chaos. The narrative picks up in a post-apocalyptic setting where society has collapsed, and survival is the only law that prevails. Hunt's ability to weave a tapestry of tension and suspense is evident from the first page, as he introduces us to a cast of complex characters, each grappling with their own demons and desires. The protagonist, a resilient and resourceful figure, embodies the spirit of perseverance, navigating a landscape fraught with danger and moral ambiguity. Hunt's prose is both vivid and precise, painting a picture of a world that is as beautiful as it is terrifying. What sets this novel apart is its exploration of human nature under extreme duress, questioning what it means to endure in the face of overwhelming adversity. The pacing is relentless, keeping readers on the edge of their seats as alliances are formed and shattered in the blink of an eye. 'Havoc Endures' is not just a story of survival, but a poignant commentary on the endurance of the human spirit. It's a must-read for fans of the genre and anyone who appreciates a well-told tale of resilience.
