An incredible story about a young girl that followed her inner voice and left everything she had to move far away. She didn't speak the language. She didn't have a job or a place to stay. She had no one to fall back on and she was only 18.

A true story about starting from scratch and achieving your dream. She learnt 10 valuable lessons along the way, and today she is sharing these lessons with you! This book is for anyone that feels lost and needs a push to do something with their life. Anyone can make their dreams come true; all you have to do is work hard and never give up.
