This is an erotic romance for adults only! This novelette contains a hot sexual triad between two female roommates and their Valentine's Day boy toy. Have you ever wanted something you know you shouldn't? That forbidden fruit - a temptation that will surely lead you down the path of illicit indulgence and, ultimately, pleasure beyond your wildest imaginations. That is the daily torture Samantha puts herself through when she thinks of her roommate, Kara. Sitting alone on Valentine's Day, Sam finds comfort in sharing her innermost secrets with her trusty journal while lusting over the brown-eyed goddess. At least until Kara comes home with a sizzling-hot man and a night full of naughty games that would even make cupid blush.
