Love, pain, and ink. The men of Heathens Ink Tattoo Studio have a lot to work through, but they always do it together.

From Ashes - I didn't have anything to live for, until a kind stranger pulled me back from the brink. With physical and emotional scars, I have nowhere to turn now but to that same stranger who saved my life without realizing it. But as my feelings for Adam grow, will I ever be anything other than a surrogate for the brother he couldn't save? Am I even worthy of his love?

Shattered Pieces - No matter how hard I try to resist Beck, he just won't give up on me. I would need steel willpower to withstand his gorgeous long legs in those high heels and his drawer full of lacy lingerie. But is this just a kinky hook up, or does it have the possibility for more?

Inked in Vegas - It feels like I've been waiting to marry Thane my entire life. And with our big day only a week away, our friends insist on a bachelor party in Vegas. An outrageous scavenger hunt, an unexpected trip to the altar, and a wild night with an ex-boyfriend. You know we don't do anything half-assed.

Flash Me - I was kicked out at 16 for being transgender, but it turned out to be one of the best things to ever happen to me. At 21, I have a fantastic new family made up of my brother and a handful of wonderful friends, I own my own photography business, and I'm happier than I imagined possible. There's just one thing missing.... Okay, maybe two...
