Synopsis

| author | Dory Smith |
|------------|------------|
| readBy | Dory Smith |
| inLanguage | english |

The Army Reserves took her from basic training and Military Police school to Saudi Arabia for Operation Desert Shield/Desert Storm and then to Bosnia for Operation Joint Guard.
 Follow Dory's army career as she navigates through the fun and the difficulties of being a Christian woman, a civilian high-school English teacher, in the masculine world of the Military Police.
 This book is for women who are not interested in books about war.
