***New York Times*** best-selling author Corinne Michaels brings you a new small-town brother's-best-friend romance.

In one second, my life disappeared.

My past. My memories. My future.

The only certainty I have from the last three years is that my older brother is dead and that I am the only eyewitness.

In order to protect the case, the lawyers demand that no one give me any information about my life...I must remember on my own. My only help comes from my brother's best friend and world-renowned investigative reporter Spencer Cross.

He has no idea how many nights I've spent dreaming of his name and his body next to mine.

Now we're a team, and our goal is to recover my memories and retrace my past. But each day we spend together, he's looking at me as more than his friend's little sister, and I find it harder to want my old life back. Instead, I'm wishing for a new one with him. His kiss feels like home. His arms make me feel safe, and I never want this to end.

As my memories return, forcing me to face my future, everything falls apart...especially when I find an engagement ring hidden in my apartment. I have no idea who gave it to me or what it means about my past.

I may have asked Spencer to help me remember, but now I wish I could forget.
