Nash:
She's the one thing I can't have
The only thing I've ever wanted
My best friend's little sister
Now she's here: the one place I never expected to see her
When Nicole shows up at my beach house I know all bets are off
Her innocence might not be safe,
But no matter what, I'll protect her heart.
Grab your longboards, readers!
Nash is a possessive older man who knows what he wants! And right now, what he wants is his best friend's curvy, innocent little sister! No cliffhangers, wipeouts, or cheating to be found here. Just a quick and steamy ride on a tropical paradise. Grab your suntan lotion and a swimsuit, 'cuz you're about to get wet.
Smooches,
Regina
