Is it the perfect escape?

Whitaker Island is more than a getaway. For Tessa Jenkins, the remote strip of land in Washington state is a sanctuary. Fleeing from a shattering scandal, she has a new name, a chance at a new beginning, and a breathtaking new view: Hansen Rye. It's hard not to crush on Whitaker's hottest handyman. At six-foot-three and all kinds of fine, he's also intensely private—and the attraction between them soon simmers dangerously out of control.

Or a private trap for two lovers?

After a devastating family tragedy, Hansen finds the pebbled shores of the faraway island to be an ideal refuge. Letting down his guard for the sexy, impulsive Tessa is an unexpected pleasure. But there's another newcomer to Whitaker. He's no stranger to Hansen. And when he's murdered, the crime casts a threatening shadow. As suspicion falls on Hansen, all his secrets are about to collide with Tessa's. Now the pasts they were determined to outrun are catching up to them. So is a killer who's putting their love—and their lives—on the line.
