We all need someone to handle our darker side.

Abigail "Abi" Monroe, is an extremely sophisticated woman with a strong backbone and crazy-smart business woman. She's on the hierarchy of the business-food chain, becoming one of the first to create a multi-million dollar company in her early twenties.

She's used to getting what she wants and knows how to cater to her own needs. What the world doesn't know about her is that she is a sexual prowler, needing gratification on a daily basis. She has no time for love, but lust is the one thing she treats herself to.

Her company mainly consists of handsome young men, but she does not indulge herself with any - except for her personal assistant. That's just part of the job requirement.
